Section 2. Legislative findings, intent, and purpose

The Town Board is permitted to establish zoning districts known as Planned Development Districts (“PDD”) to provide flexible land use and design regulations through the use of performance criteria and land impact considerations, so that developments incorporating individual building sites, common property, singular land use, and/or mixed land uses may be planned and developed as a unit. The Town Board hereby finds and determines that the application submitted by Finger Lakes Land Trust, Inc., as contract purchaser of all or a portion of certain lands currently owned by William and Leonard Burns and known as the Burns Tract, which lands are located along N.Y.S.
